The plan must be submitted to the City within 60 days after the audit is submitted to the City. Failure to submit an adequate plan to the City may result in the immediate suspension of funding. If adequate improvement related to the audit findings is not documented within a reasonable period of time, the City may provide additional technical assistance, refer the Agreement to the City Auditor for analysis, or move to terminate the Agreement as specified in Section 5 of the Agreement.

4.5.7 The expiration or termination of this Agreement shall in no way relieve the Grantee of the audit requirement set forth in this Section.

The City may place Grantee on probation for a specified period of time within which the Grantee must correct any non-compliance issues. Probation shall not normally be for a period of more than 9 months; however, it may be for a longer period, not to exceed 1 year depending on the circumstances. All rights and remedies under the Agreement are cumulative and are not exclusive of any other right or remedy provided by law.

5.4 **Termination Without Cause.** The City shall have the right to terminate the Agreement, in whole or in part, without cause any time upon 30 calendar-days prior written notice. Upon receipt of a notice of termination, the Grantee shall promptly cease all further work pursuant to the Agreement, with such exceptions, if any, specified in the notice of termination. The City shall pay the Grantee, to the extent of funds appropriated or otherwise legally available for such purposes, for all goods delivered and services performed and obligations incurred prior to the date of termination in accordance with the terms hereof.

5.5 **Fraud.** Fraudulent statements by the Grantee on any Offer or in any report or deliverable required to be submitted by the Grantee to the City shall be grounds for the termination of the Agreement for cause by the City and may result in legal action.

Grantee acknowledges and agrees that the Confidential Information is the valuable property of the City and/or its licensors and any unauthorized use, disclosure, dissemination, or other release of the Confidential Information will substantially injure the City and/or its licensors. The Grantee (including its employees, Subgrantees, agents, or representatives) agrees that it will maintain the Confidential Information in strict confidence and shall not disclose, disseminate, copy, divulge, recreate, or otherwise use the Confidential Information without the prior written consent of the City or in a manner not expressly permitted under this Agreement, unless the Confidential Information is required to be disclosed by law or an order of any court or other governmental authority with proper jurisdiction, provided the Grantee promptly notifies the City before disclosing such information so as to permit the City reasonable time to seek an appropriate protective order. The Grantee agrees to use protective measures no less stringent than the Grantee uses within its own business to protect its own most valuable information, which protective measures shall under all circumstances be at least reasonable measures to ensure the continued confidentiality of the Confidential Information.

8.9 **Advertising.** Where such action is appropriate as determined by the City, Grantee shall publicize the activities conducted by the Grantee under this Agreement. Any news release, sign, brochure, or other advertising medium including websites disseminating information prepared or distributed by or for the Grantee shall recognize the City as a funding source and include a statement that indicates that the information presented does not officially represent the opinion or policy position of the City.

8.10 **No Contingent Fees.** The Grantee warrants that no person or selling agency has been employed or retained to solicit or secure the Agreement upon any agreement or understanding for commission, percentage, brokerage, or contingent fee, excepting bona fide employees of bona fide established commercial or selling agencies maintained by the Grantee for the purpose of securing business. For breach or violation of this warranty, the City shall have the right, in addition to any other remedy available, to cancel the Agreement without liability and to deduct from any amounts owed to the Grantee, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.

8.11 **Gratuities.** The City may, by written notice to the Grantee, cancel the Agreement without liability if it is determined by the City that gratuities were offered or given by the Grantee or any agent or representative of the Grantee to any officer or employee of the City with a view toward securing the Agreement or securing favorable treatment with respect to the awarding or amending or the making of any determinations with respect to the performing of such Agreement. In the event the Agreement is canceled by the City pursuant to this provision, the City shall be entitled, in addition to any other rights and remedies, to recover or withhold the amount of the cost incurred by the Grantee in providing such gratuities.

8.12 **Prohibition Against Personal Interest in Agreements.** No officer, employee, independent consultant, or elected official of the City who is involved in the development, evaluation, or decision-making process of the performance of any solicitation shall have a financial interest, direct or indirect, in the Agreement resulting from that solicitation. Any willful violation of this Section shall constitute impropriety in office, and any officer or employee guilty thereof shall be subject to disciplinary action up to and including dismissal. Any violation of this provision, with the knowledge, expressed or implied, of the Grantee shall render the Agreement voidable by the City.

8.13 **Independent Grantee.** The Agreement shall not be construed as creating an employer/employee relationship, a partnership, or a joint venture. The Grantee's services shall be those of an independent Grantee. The Grantee agrees and understands that the Agreement does not grant any rights or privileges established for employees of the City.

8.14 **Assignment-Delegation.** The Agreement shall be binding upon and inure to the benefit of the City and the Grantee and their respective successors and assigns, provided however, that no right or interest in the Agreement shall be assigned and no obligation shall be delegated by the Grantee without the prior written consent of the City. Any attempted assignment or delegation by the Grantee shall be void unless made in conformity with this paragraph. The Agreement is not intended to confer rights or benefits on any person, firm or entity not a party hereto; it being the intention of the parties that there be no third party beneficiaries to the Agreement.

8.15 **Waiver.** No claim or right arising out of a breach of the Agreement can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party. No waiver by either the Grantee or the City of any one or more events of default by the other party shall operate as, or be construed to be, a permanent waiver of any rights or obligations under the Agreement, or an express or implied acceptance of any other existing or future default or defaults, whether of a similar or different character.

8.16 **Modifications.** The Agreement can be modified or amended only by a written, signed agreement by both parties. No pre-printed or similar terms on any Grantee invoice, order, or other document shall have any force or effect to change the terms, covenants, and conditions of the Agreement.

8.17 **Interpretation.** The Agreement is intended by the parties as a final, complete and exclusive statement of the terms of their agreement. No course of prior dealing between the parties or course of performance or usage of the trade shall be relevant to supplement or explain any term used in the Agreement. Although the Agreement may have been substantially drafted by one party, it is the intent of the parties that all provisions be construed in a manner to be fair to both parties, reading no provisions more strictly against one party or the other. Whenever a term defined by the Uniform Commercial Code, as enacted by the State of Texas, is used in the Agreement, the UCC definition shall control, unless otherwise defined in the Agreement.

8.18 **Dispute Resolution.**

8.18.1 If a dispute arises out of or relates to the Agreement, or the breach thereof, the parties agree to negotiate prior to prosecuting a suit for damages. However, this section does not prohibit the filing of a lawsuit to toll the running of a statute of limitations or to seek injunctive

relief. Either party may make a written request for a meeting between representatives of each party within 14 calendar days after receipt of the request or such later period as agreed by the parties. Each party shall include, at a minimum, 1 senior level individual with decision-making authority regarding the dispute. The purpose of this and any subsequent meeting is to attempt in good faith to negotiate a resolution of the dispute. If, within 30 calendar days after such meeting, the parties have not succeeded in negotiating a resolution of the dispute, they will proceed directly to mediation as described below. Negotiation may be waived by a written agreement signed by both parties, in which event the parties may proceed directly to mediation as described below.

8.18.2 If the efforts to resolve the dispute through negotiation fail, or the parties waive the negotiation process, the parties may select, within 30 calendar days, a mediator trained in mediation skills to assist with resolution of the dispute. Should they choose this option, the City and the Grantee agree to act in good faith in the selection of the mediator and to give consideration to qualified individuals nominated to act as mediator. Nothing in the Agreement prevents the parties from relying on the skills of a person who is trained in the subject matter of the dispute or an Agreement interpretation expert. If the parties fail to agree on a mediator within 30 calendar days of initiation of the mediation process, the mediator shall be selected by the Travis County Dispute Resolution Center (DRC). The parties agree to participate in mediation in good faith for up to 30 calendar days from the date of the first mediation session. The City and the Grantee will share the mediator's fees equally and the parties will bear their own costs of participation such as fees for any consultants or attorneys they may utilize to represent them or otherwise assist them in the mediation.

8.23 **Invalidity.** The invalidity, illegality, or unenforceability of any provision of the Agreement shall in no way affect the validity or enforceability of any other portion or provision of the Agreement. Any void provision shall be deemed severed from the Agreement and the balance of the Agreement shall be

construed and enforced as if the Agreement did not contain the particular portion or provision held to be void. The parties further agree to reform the Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. Program Work Statement

Program Goals and Objectives

The Austin Shelter for Women and Children (ASWC) is a comprehensive program that includes 24-hour emergency shelter (81 beds) for homeless women and children, on-site supportive services and linkage to long-term housing and case management resources. The Salvation Army's goal as operator of the program is to provide "wrap-around" services designed to assist homeless women in attaining and maintaining self-sufficiency. Based on a model of trauma-informed care, objectives focus on rapidly moving families into safe and stable housing. Case management aims are improving the income necessary to support housing and personal stability. A high priority is placed on children's services which include licensed childcare, child/family therapy, specialized school aged children's groups, family field trips and evening activities, and after-school tutoring and transportation to local schools.

The Salvation Army strives to coordinate the operation of the ASWC closely with its 212-bed Rathgeber Center for Families (4613 Tannehill Ln., Bldg 1), the downtown Salvation Army Social Services Center, and the three-agency Passages Collaboration which offers long-term housing and supportive services (up to 18 months). Clients are also eligible for case management and financial assistance through the Best Single Source Plus Collaboration (BSS+) and case management program. Clients may be referred to the Passages II program for Rapid Rehousing and case management.

The goals and objectives as a part of a continuum of care are designed specifically to effectively transition shelter residents through the following levels of care:

- a) Emergency Shelter (30-90 days with additional 60 day extension to meet housing goals, if needed)
- b) On-site licensed child care for infants-4 year old
- c) Case management services (3-18 months)
- d) Exit to permanent, transitional or subsidized housing (6 months to permanent)

Specific service objectives within each level of care include:

- a) Crisis intervention services providing emergency basic needs shelter for homeless women and children
- b) Continuous professional assessment of resident's critical need regarding income, housing, and health
- c) Establish case plans which identify specific barriers preventing residents from obtaining housing
- d) Provide direct assistance, either financial or community resource, addressing basic and critical needs with the goal of obtaining housing
- e) Link residents to mainstream resources including childcare, employment, education, financial assistance, legal assistance, mental health and/or substance abuse treatment programs and long-term transitional and/or subsidized housing.

Program Clients Served

The Austin Shelter for Women and Children serves female-identified homeless adult women and/or homeless adult women and their dependent children age 17 or younger. Unaccompanied youth (i.e. juvenile runaways) and males age 18 and older are not eligible for services. Interim services are provided to women who have a child in their care (but are not the legal guardian) while status of legal custody is being documented.

Compliance with Austin Public Health Eligibility Criteria: The eligibility criteria for the program is

Clients are linked to mainstream outpatient services and other types of treatment programs for chemical dependency, active mental illnesses and/or symptoms. Individual sessions service plans focus on client's participation in onsite individual, group and family counseling, and outside services, monitoring of psychotropic medications, attendance of psychiatric evaluations, monitor and coordinate access and attendance of outpatient and inpatient substance abuse treatment programs, and attendance in 12-step recovery program participation. Regularly scheduled weekly groups are available to all residents who wish to participate and include: Dual-diagnosis support group, parenting skills group, art therapy, community garden classes, and children's coping skills.

Maintenance and Operations of the Women and Children's Shelter

Austin Public Health (APH) contracts with Salvation Army to serve as the operator of the Women and Children's Shelter located at 4613 Tannehill Lane, Bldg. 3, Austin, TX 78721. The property is owned by Travis County and leased to the City of Austin for purposes of operating the Austin Shelter for Women and Children also referred to as ASWC and includes an 81-bed shelter and child care center. This Agreement does not constitute a sublease but does give the ASWC Operator, The Salvation Army, permission to operate and maintain a homeless shelter on the premises under the terms and conditions of this Agreement.

As Operator of the Shelter, Salvation Army is responsible for overall operations, maintenance, and oversight of the facility and the activities located therein. The defined premises will be used 24 hours – 7 days per week for 365 days per year. There will be no fee charged for the use of the facility.

The Salvation Army:

- Is responsible for any damages to the premises, its furniture, fixtures or other accoutrements.
- Agrees that they will pay for any damages arising out of this use of the agreement.
- Shall hold the City harmless from all of said matters including all code enforcement violations caused by operator.
- Agrees to indemnify and hold harmless the City from and against any and all claims, demands, actions, suits or causes of action, including counsel fees and other costs defending against the same for loss, damage, or personal injury (including death) arising from the use of the property and facilities by the operator, its member, guest or invitees. See Insurance requirements.
- Agrees not to use or allow the use of tobacco, firearms or illegal drugs in or on the property. Smoking is prohibited in all physical structures and shall otherwise be restricted to designated areas.

Program Work Statement

- Agrees to provide supervision, to the extent that said activities are carried on in a safe and orderly manner, for all areas defined as a part of this agreement.
- Manages a Controllable asset inventory for items over five hundred dollars such as computers, and non-portable printers and copiers; and a Capital asset inventory for tangible items with a useful life in excess of one year and an individual acquisition cost or value of five thousand dollars or above.

System for Collecting and Reporting Program Data

All client information is entered into an ACCESS Data Program on a daily basis. Case managers and the Child and Family Therapist enter weekly case plan/treatment plan goals and document progress with percentages of goals completed during their shelter stay. Performance measures for case management regarding type of housing exit (independent housing, public housing, transitional housing and family/friends), goal completion, and improvement of financial stability are collected and entered at exit.

The Child and Family Therapist completes discharge summaries for persons who attend counseling which includes treatment goals completed and successful links to mainstream counseling and social services programs. Daily census and meal counts are entered into the database on a daily basis by management. All performance outcomes and outputs are reported to the City of Austin in PartnerGrants utilizing the forms provided on a monthly and quarterly basis. Additionally, the case managers enter all the client demographic, universal data elements, and entry/exit information for clients into HMIS. After initial entry, the Residential Service Director assigns rooms and beds in the shelter using ShelterPoint and enters client names, shelter inventory, program entry/exit dates. She also updates shelter program information in ResourcePoint and runs data completeness report monthly.

Performance Evaluation

The program utilizes a "Call Back list" in order to facilitate immediate notification and admission to the shelter for basic shelter needs. The program utilizes "Daily Occupancy" and "Open Rooms" report in order for all shelter staff to determine when a client is able to move into shelter, which room they will be in and which case manager will be assigned to them. Case managers enter weekly case plan goals with completion data into the general database which is reviewed weekly by the Shelter Director. These case plans and weekly case management staffing are developed to ensure all residents are being connected to resources, such as licensed child care on site, Employment Skills Training and outside resources such as, Integral Care, Temporary Assistance for Needy Families (TANF), and Project HELP (for school issues).

In order to monitor shelter success with regard to long-term services, 30-day extension reviews with the client, case manager and the Shelter Director are held for each resident while they are in shelter. The Shelter Director reviews all resident exit forms each month in order to determine program and client success with self-sufficiency plans including: safe exit, employment skills training, employment, percentage of case plan goals completed and whether residents report achievement of their homelessness goals.

Daily statistics collected for the monthly Salvation Army statistical reporting include: number of meals served, bed nights, number of children served in outside childcare, number of individual and group sessions with case managers and therapist, direct financial assistance for rent, deposits, and other legal documents. In addition, daily tracking of shelter admissions and exits are collected.

Program Work Statement

Quality Improvement

The program has "Client Satisfaction Surveys," "Client Focus Groups," and "Monthly Dorm Meetings" to obtain resident input on service delivery and program design. Weekly case management meetings are utilized to monitor client needs, effectiveness of community resources, and develop program changes/interventions.

Service Coordination with Other Agencies

The Salvation Army has formal collaborations in the Passages Partnership Programs including: Foundation for the Homeless, Caritas, The SAFE Alliance, Foundation Communities, Central Texas Food Bank, and the Housing Authority of the City of Austin. The Passages program is a resource for ASWC Shelter clients providing subsidized child care, 12-24 months of long term case management, direct financial assistance and access to transitional housing.

ASWC clients who are in Passages and in the process of obtaining a Tenant Based Rental Assistance Voucher will be allowed to extend their shelter beyond 90 days to allow them time needed to select their apartment. ASWC and/or Passages will provide direct financial assistance for client's first month rent, deposit, and application fee.

ASWC clients accepted into the Passages Program who enter independent or public subsidized permanent housing enrolled in Best Single Source Plus case-management for up to 6 months after exiting shelter and receive financial for rent, deposit, furniture, debt, and housing costs. This program has access to landlord outreach specialists to assist with finding housing in the tight Austin rental market.

ASWC coordinates with Project HELP which is funded by the McKinney-Vento Act legislation for homeless children and school districts. Project HELP provides supportive services to the children who reside in shelter.

ASWC coordinates with the United Way Capital Area community resources information program.

ASWC coordinates with Integral Care for Psychiatric Emergency Services, ACCESS Homeless Services, Alameda House (transitional housing), CARE (HIV/AIDS), MCOT (Mobile Crisis Outreach Team), and Children's Mental Health and Early Childhood Intervention Services. Substance abuse needs are met through relationships with OSAR (Outreach, Screening, Assessment, and Referral) and Austin Recovery. Case managers and the Child and Family Therapist work closely with clients who have identified needs for these services and facilitate on-going communication and coordination with client participation in these programs.

ASWC collaborates with Central Texas Food Bank (CTFB) as a partner agency. The ASWC Food Services Director orders weekly groceries from CTFB at discounted prices, lowering overall food costs for the shelter. CTFB provides educational opportunities for ASWC staff on Supplemental Nutrition Assistance Program (SNAP) benefits and provides nutritional information to clients.

8.8 Confidentiality. In order to provide the deliverables to the City, Grantee may require access to certain of the City's and/or its licensors' confidential information (including inventions, employee information, trade secrets, confidential know-how, confidential business information, and other information which the City or its licensors consider confidential) (collectively, "Confidential Information"). Grantee acknowledges and agrees that the Confidential Information is the valuable property of the City and/or its licensors and any unauthorized use, disclosure, dissemination, or other release of the Confidential Information will substantially injure the City and/or its licensors. The Grantee (including its employees, Subgrantees, agents, or representatives) agrees that it will maintain the Confidential Information in strict confidence and shall not disclose, disseminate, copy, divulge, recreate, or otherwise use the Confidential Information without the prior written consent of the City or in a manner not expressly permitted under this Agreement, unless the Confidential Information is required to be disclosed by law or an order of any court or other governmental authority with proper jurisdiction, provided the Grantee promptly notifies the City before disclosing such information so as to permit the City reasonable time to seek an appropriate protective order. The Grantee agrees to use protective measures no less stringent than the Grantee uses within its own business to protect its own most valuable information, which protective measures shall under all circumstances be at least reasonable measures to ensure the continued confidentiality of the Confidential Information.

8.9 Advertising. Where such action is appropriate as determined by the City, Grantee shall publicize the activities conducted by the Grantee under this Agreement. Any news release, sign, brochure, or other advertising medium including websites disseminating information prepared or distributed by or for the Grantee shall recognize the City as a funding source and include a statement that indicates that the information presented does not officially represent the opinion or policy position of the City.

8.10 No Contingent Fees. The Grantee warrants that no person or selling agency has been employed or retained to solicit or secure the Agreement upon any agreement or understanding for commission, percentage, brokerage, or contingent fee, excepting bona fide employees of bona fide established commercial or selling agencies maintained by the Grantee for the purpose of securing business. For breach or violation of this warranty, the City shall have the right, in addition to any other remedy available, to cancel the Agreement without liability and to deduct from any amounts owed to the Grantee, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.

8.11 Gratuities. The City may, by written notice to the Grantee, cancel the Agreement without liability if it is determined by the City that gratuities were offered or given by the Grantee or any agent or representative of the Grantee to any officer or employee of the City with a view toward securing the Agreement or securing favorable treatment with respect to the awarding or amending or the making of any determinations with respect to the performing of such Agreement. In the event the Agreement is canceled by the City pursuant to this provision, the City shall be entitled, in addition to any other rights and remedies, to recover or withhold the amount of the cost incurred by the Grantee in providing such gratuities.

8.12 Prohibition Against Personal Interest in Agreements. No officer, employee, independent consultant, or elected official of the City who is involved in the development, evaluation, or decision-making process of the performance of any solicitation shall have a financial interest, direct or indirect, in the Agreement resulting from that solicitation. Any willful violation of this Section shall constitute impropriety in office, and any officer or employee guilty thereof shall be subject to disciplinary action up to and including dismissal. Any violation of this provision, with the knowledge, expressed or implied, of the Grantee shall render the Agreement voidable by the City.

8.13 Independent Grantee. The Agreement shall not be construed as creating an employer/employee relationship, a partnership, or a joint venture. The Grantee's services shall be those of an independent Grantee. The Grantee agrees and understands that the Agreement does not grant any rights or privileges established for employees of the City.

8.14 Assignment-Delegation. The Agreement shall be binding upon and inure to the benefit of the City and the Grantee and their respective successors and assigns, provided however, that no right or interest in the Agreement shall be assigned and no obligation shall be delegated by the Grantee without the prior

written consent of the City. Any attempted assignment or delegation by the Grantee shall be void unless made in conformity with this paragraph. The Agreement is not intended to confer rights or benefits on any person, firm or entity not a party hereto; it being the intention of the parties that there be no third party beneficiaries to the Agreement.

8.15 Waiver. No claim or right arising out of a breach of the Agreement can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party. No waiver by either the Grantee or the City of any one or more events of default by the other party shall operate as, or be construed to be, a permanent waiver of any rights or obligations under the Agreement, or an express or implied acceptance of any other existing or future default or defaults, whether of a similar or different character.

8.16 Modifications. The Agreement can be modified or amended only by a written, signed agreement by both parties. No pre-printed or similar terms on any Grantee invoice, order, or other document shall have any force or effect to change the terms, covenants, and conditions of the Agreement.

8.17 Interpretation. The Agreement is intended by the parties as a final, complete and exclusive statement of the terms of their agreement. No course of prior dealing between the parties or course of performance or usage of the trade shall be relevant to supplement or explain any term used in the Agreement. Although the Agreement may have been substantially drafted by one party, it is the intent of the parties that all provisions be construed in a manner to be fair to both parties, reading no provisions more strictly against one party or the other. Whenever a term defined by the Uniform Commercial Code, as enacted by the State of Texas, is used in the Agreement, the UCC definition shall control, unless otherwise defined in the Agreement.

8.18 Dispute Resolution.

8.18.1 If a dispute arises out of or relates to the Agreement, or the breach thereof, the parties agree to negotiate prior to prosecuting a suit for damages. However, this section does not prohibit the filing of a lawsuit to toll the running of a statute of limitations or to seek injunctive relief. Either party may make a written request for a meeting between representatives of each party within 14 calendar days after receipt of the request or such later period as agreed by the parties. Each party shall include, at a minimum, 1 senior level individual with decision-making authority regarding the dispute. The purpose of this and any subsequent meeting is to attempt in good faith to negotiate a resolution of the dispute. If, within 30 calendar days after such meeting, the parties have not succeeded in negotiating a resolution of the dispute, they will proceed directly to mediation as described below. Negotiation may be waived by a written agreement signed by both parties, in which event the parties may proceed directly to mediation as described below.

8.18.2 If the efforts to resolve the dispute through negotiation fail, or the parties waive the negotiation process, the parties may select, within 30 calendar days, a mediator trained in mediation skills to assist with resolution of the dispute. Should they choose this option, the City and the Grantee agree to act in good faith in the selection of the mediator and to give consideration to qualified individuals nominated to act as mediator. Nothing in the Agreement prevents the parties from relying on the skills of a person who is trained in the subject matter of the dispute or an Agreement interpretation expert. If the parties fail to agree on a mediator within 30 calendar days of initiation of the mediation process, the mediator shall be selected by the Travis County Dispute Resolution Center (DRC). The parties agree to participate in mediation in good faith for up to 30 calendar days from the date of the first mediation session. The City and the Grantee will share the mediator's fees equally and the parties will bear their own costs of participation such as fees for any consultants or attorneys they may utilize to represent them or otherwise assist them in the mediation.

8.21.2 The Grantee shall be fully responsible to the City for all acts and omissions of the Subgrantees just as the Grantee is responsible for the Grantee's own acts and omissions. Nothing in the Agreement shall create for the benefit of any such Subgrantee any contractual relationship between the City and any such Subgrantee, nor shall it create any obligation on the part of the City to pay or to see to the payment of any moneys due any such Subgrantee except as may otherwise be required by law.

8.21.3 The Grantee shall pay each Subgrantee its appropriate share of payments made to the Grantee not later than 10 days after receipt of payment from the City.

All issues arising from this Agreement shall be resolved in the courts of Travis County, Texas and the parties agree to submit to the exclusive personal jurisdiction of such courts. The foregoing, however, shall not be construed or interpreted to limit or restrict the right or ability of the City to seek and secure injunctive relief from any competent authority as contemplated herein.

8.23 Invalidity. The invalidity, illegality, or unenforceability of any provision of the Agreement shall in no way affect the validity or enforceability of any other portion or provision of the Agreement. Any void provision shall be deemed severed from the Agreement and the balance of the Agreement shall be construed and enforced as if the Agreement did not contain the particular portion or provision held to be void. The parties further agree to reform the Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. Program Goals And Objectives

The Austin Shelter for Women and Children (ASWC) is a comprehensive program that includes 24-hour emergency shelter (81 beds) for homeless women and children, on-site supportive services and linkage to long-term housing and case management resources. The Salvation Army's goal as operator of the program is to provide "wrap-around" services designed to assist homeless women in attaining and maintaining self-sufficiency. Based on a model of trauma-informed care, objectives focus on rapidly moving families into safe and stable housing. Case management aims are improving the income necessary to support housing and personal stability. A high priority is placed on children's services which include licensed child care, child/family therapy, specialized school aged children's groups, family field trips and evening activities, and after-school tutoring and transportation to local schools.

The Salvation Army strives to coordinate the operation of the ASWC closely with its 55-bed overflow family shelter (501 E. 8th St.) and the three-agency Passages Collaboration which offers long-term housing and supportive services (up to 18 months). Clients are also eligible for case management and financial assistance through the Best Single Source Plus Collaboration (BSS+) and case management program. Clients may be referred to the Passages II program for Rapid Rehousing and case management.

The goals and objectives as a part of a continuum of care are designed specifically to effectively transition shelter residents through the following levels of care:

- a) Emergency Shelter (30-90 days with additional 60 day extension to meet housing goals, if needed)
- b) On-site licensed child care for infants-4 year old
- c) Case management services (3-18 months)
- d) Exit to permanent, transitional or subsidized housing (6 months to permanent)

Specific service objectives within each level of care include:

- a) Crisis intervention services providing emergency basic needs shelter for homeless women and children
- b) Continuous professional assessment of resident's critical need regarding income, housing, and health
- c) Establish case plans which identify specific barriers preventing residents from obtaining housing
- d) Provide direct assistance, either financial or community resource, addressing basic and critical needs with the goal of obtaining housing
- e) Link residents to mainstream resources including childcare, employment, education, financial assistance, legal assistance, mental health and/or substance abuse treatment programs and long-term transitional and/or subsidized housing

Program Clients Served

The Austin Shelter for Women and Children serves female-identified homeless adult women and/or homeless adult women and their dependent children age 17 or younger. Unaccompanied youth (i.e. juvenile runaways) and males age 18 and older are not eligible for services. Interim services are provided to women who have a child in their care (but are not the legal guardian) while status of legal custody is being documented.

Compliance with Austin Public Health Eligibility Criteria: The eligibility criteria for the program is homelessness, so the agency will insure that all client files contain a Homeless Eligibility form and documentation of entry into the Homeless Management Information System (HMIS). Identity, residency and income requirements, as well as annual recertification of homelessness are waived.

She also updates shelter program information in ResourcePoint and runs data completeness report monthly.

Performance Evaluation

The program utilizes a "Call Back list" in order to facilitate immediate notification and admission to the shelter for basic shelter needs. The program utilizes "Daily Occupancy" and "Open Rooms" report in order for all shelter staff to determine when a client is able to move into shelter, which room they will be in and which case manager will be assigned to them. Case managers enter weekly case plan goals with completion data into the general database which is reviewed weekly by the Shelter Director. These case plans and weekly case management staffing are developed to ensure all residents are being connected to resources, such as licensed child care on site, Employment Skills Training and outside resources such as, Integral Care, Temporary Assistance for Needy Families (TANF), and Project HELP (for school issues).

In order to monitor shelter success with regard to long-term services, 30-day extension reviews with the client, case manager and the Shelter Director are held for each resident while they are in shelter. The Shelter Director reviews all resident exit forms each month in order to determine program and client success with self-sufficiency plans including: safe exit, employment skills training, employment, percentage of case plan goals completed and whether residents report achievement of their homelessness goals.

Daily statistics collected for the monthly Salvation Army statistical reporting include: number of meals served, bed nights, number of children served in outside childcare, number of individual and group sessions with case managers and therapist, direct financial assistance for rent, deposits, and other legal documents. In addition, daily tracking of shelter admissions and exits are collected.

Quality Improvement

The program has "Client Satisfaction Surveys" and "Client Focus Groups" to obtain resident input on service delivery and program design. Weekly case management meetings are utilized to monitor client needs, effectiveness of community resources, and develop program changes/interventions. Each year, during Fall and Spring semesters, bachelor-level and graduate students in social work from University of Texas and Texas State University who intern at ASWC are utilized to create new children and adult groups and curriculums in order to provide auxiliary services in order to determine the level of client participation and feedback about the need to focus on different issue areas for future programming.

Service Coordination with Other Agencies

The Salvation Army has formal collaborations in the Passages Partnership Programs including: Foundation for the Homeless, Caritas, The SAFE Alliance, Foundation Communities, Central Texas Food Bank, and the Austin Housing Authority. The Passages program is a resource for ASWC Shelter clients providing subsidized child care, 12-24 months of long term case management, direct financial assistance and access to transitional housing.

ASWC clients who are in Passages and in the process of obtaining a Tenant Based Rental Assistance Voucher will be allowed to extend their shelter beyond 90 days to allow them time needed to select their apartment. ASWC and/or Passages will provide direct financial assistance for client's first month rent, deposit, and application fee.

ASWC clients accepted into the Passages Program who enter independent or public subsidized permanent housing enrolled in Best Single Source Plus case-management for up to 6 months after exiting shelter and receive financial for rent, deposit, furniture, debt, and housing costs. This program has access to landlord outreach specialists to assist with finding housing in the tight Austin rental market.

ASWC coordinates with Project HELP which is funded by the McKinney-Vento Act legislation for homeless children and school districts. Project HELP provides supportive services to the children who reside in shelter.

Business Associate shall ensure that all uses and disclosures of PHI are subject to the principle of “minimum necessary use and disclosure,” i.e., that only PHI that is the minimum necessary to accomplish the intended purpose of the use, disclosure, or request is used or disclosed; and, the use of limited data sets when possible.
6. Disclosure to Agents and Subcontractors. If Business Associate discloses PHI received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity, to agents, including a subcontractor, Business Associate shall require the agent or subcontractor to agree to the same restrictions and conditions as apply to Business Associate under this Agreement. Business Associate shall ensure that any agent, including a subcontractor, agrees to implement reasonable and appropriate safeguards to protect the confidentiality, integrity, and availability of the paper or electronic PHI that it creates, receives, maintains, or transmits on behalf of the Covered Entity. Business Associate shall be liable to Covered Entity for any acts, failures or omissions of the agent or subcontractor in providing the services as if they were Business Associate’s own acts, failures or omissions, to the extent permitted by law. Business Associate further expressly warrants that its agents or subcontractors will be specifically advised of, and will comply in all respects with, the terms of this Agreement.
7. Individual Rights Regarding Designated Record Sets. If Business Associate maintains a Designated Record Set on behalf of Covered Entity Business Associate agrees as follows:
 - (a) Individual Right to Copy or Inspection. Business Associate agrees that if it maintains a Designated Record Set for Covered Entity that is not maintained by Covered Entity, it will permit an Individual to inspect or copy PHI about the Individual in that set as directed by Covered Entity to meet the requirements of 45 C.F.R. § 164.524. If the PHI is in electronic format, the Individual shall have a right to obtain a copy of such information in electronic format and, if the Individual chooses, to direct that an electronic copy be transmitted directly to an entity or person designated by the individual in accordance with HITECH section 13405 (c). Under the Privacy Rule, Covered Entity is required to take action on such requests as soon as possible, but not later than 30 days following receipt of the request. Business Associate agrees to make reasonable efforts to assist Covered Entity in meeting this deadline. The information shall be provided in the form or format requested if it is readily producible in such form or format; or in summary, if the Individual has agreed in advance to accept the information in summary form. A reasonable, cost-based fee for copying health information may be charged. If Covered Entity maintains the requested records, Covered Entity, rather than Business Associate shall permit access according to its policies and procedures implementing the Privacy Rule.

- (b) Individual Right to Amendment. Business Associate agrees, if it maintains PHI in a Designated Record Set, to make amendments to PHI at the request and direction of Covered Entity pursuant to 45 C.F.R. §164.526. If Business Associate maintains a record in a Designated Record Set that is not also maintained by Covered Entity, Business Associate agrees that it will accommodate an Individual's request to amend PHI only in conjunction with a determination by Covered Entity that the amendment is appropriate according to 45 C.F.R. §164.526.
 - (c) Accounting of Disclosures. Business Associate agrees to maintain documentation of the information required to provide an accounting of disclosures of PHI, whether PHI is paper or electronic format, in accordance with 45 C.F.R. §164.528 and HITECH Sub Title D Title VI Section 13405 (c), and to make this information available to Covered Entity upon Covered Entity's request, in order to allow Covered Entity to respond to an Individual's request for accounting of disclosures. Under the Privacy Rule, Covered Entity is required to take action on such requests as soon as possible but not later than 60 days following receipt of the request. Business Associate agrees to use its best efforts to assist Covered Entity in meeting this deadline but not later than 45 days following receipt of the request. Such accounting must be provided without cost to the individual or Covered Entity if it is the first accounting requested by an individual within any 12 month period; however, a reasonable, cost-based fee may be charged for subsequent accountings if Business Associate informs the individual in advance of the fee and is afforded an opportunity to withdraw or modify the request. Such accounting is limited to disclosures that were made in the six (6) years prior to the request (not including disclosures prior to the compliance date of the Privacy Rule) and shall be provided for as long as Business Associate maintains the PHI.
8. Internal Practices, Policies and Procedures. Except as otherwise specified herein, Business Associate shall make available its internal practices, books, records, policies and procedures relating to the use and disclosure of PHI, received from or on behalf of Covered Entity to the Secretary or his or her agents for the purpose of determining Covered Entity's compliance with the HIPAA Rules, or any other health oversight agency, or to Covered Entity. Records requested that are not protected by an applicable legal privilege will be made available in the time and manner specified by Covered Entity or the Secretary.
9. Notice of Privacy Practices. Business Associate shall abide by the limitations of Covered Entity's Notice of which it has knowledge. Any use or disclosure permitted by this Agreement may be amended by changes to Covered Entity's Notice; provided, however, that the amended Notice shall not affect permitted uses and disclosures on which Business Associate relied prior to receiving notice of such amended Notice.

10. Withdrawal of Authorization. If the use or disclosure of PHI in this Agreement is based upon an Individual's specific authorization for the use or disclosure of his or her PHI, and the Individual revokes such authorization, the effective date of such authorization has expired, or such authorization is found to be defective in any manner that renders it invalid, Business Associate shall, if it has notice of such revocation, expiration, or invalidity, cease the use and disclosure of the Individual's PHI except to the extent it has relied on such use or disclosure, or if an exception under the Privacy Rule expressly applies.
11. Knowledge of HIPAA Rules. Business Associate agrees to review and understand the HIPAA Rules as it applies to Business Associate, and to comply with the applicable requirements of the HIPAA Rule, as well as any applicable amendments.
12. Information Incident Notification for PHI. Business Associate will report any successful Incident of which it becomes aware and at the request of the Covered Entity, will identify: the date of the Incident, scope of Incident, Business Associate's response to the Incident, and the identification of the party responsible for causing the Incident.
13. Information Breach Notification for PHI. Business Associate expressly recognizes that Covered Entity has certain reporting and disclosure obligations to the Secretary and the Individual in case of a security breach of unsecured PHI. Where Business Associate accesses, maintains, retains, modifies, records, stores, destroys, or otherwise holds, uses or discloses unsecured paper or electronic PHI, Business Associate immediately following the "discovery" (within the meaning of 45 C.F.R. §164.410(a)) of a breach of such information, shall notify Covered Entity of such breach. Initial notification of the breach does not need to be in compliance with 45 C.F.R. §164.404(c); however, Business Associate must provide Covered Entity with all information necessary for Covered Entity to comply with 45 C.F.R. §164.404(c) without reasonable delay, and in no case later than **three** days following the discovery of the breach. Business Associate shall be liable for the costs associated with such breach if caused by the Business Associate's negligent or willful acts or omissions, or the negligent or willful acts or omissions of Business Associate's agents, officers, employees or subcontractors.
14. Breach Notification to Individuals. Business Associate's duty to notify Covered Entity of any breach does not permit Business Associate to notify those individuals whose PHI has been breached by Business Associate without the express written permission of Covered Entity to do so. Any and all notification to those individuals whose PHI has been breached shall be made by the Business Associate under the direction, review and control of Covered Entity. The Business Associate will notify the Covered Entity via telephone with follow-up in writing to include; name of individuals whose PHI was breached, information breached, date of breach, form of breach, etc. The cost of the notification will be paid by the Business Associate.
15. Information Breach Notification for Other Sensitive Personal Information. In addition to the reporting under Section D.12, Business Associate shall notify

Covered Entity of any breach of computerized Sensitive Personal Information (as determined pursuant to Title 11, subtitle B, chapter 521, Subchapter A, Section 521.053, Texas Business & Commerce Code) to assure Covered Entity's compliance with the notification requirements of Title 11, Subtitle B, Chapter 521, Subchapter A, Section 521.053, Texas Business & Commerce Code. Accordingly, Business Associate shall be liable for all costs associated with any breach caused by Business Associate's negligent or willful acts or omissions, or those negligent or willful acts or omissions of Business Associate's agents, officers, employees or subcontractors.

E. Permitted Uses and Disclosures by Business Associates. Except as otherwise limited in this Agreement, Business Associate may use or disclose Protected Health Information to perform functions, activities, or services for, or on behalf of, Covered Entity as specified in this Business Associates Agreement or in a Master Services Agreement, provided that such use or disclosure would not violate the HIPAA Rules if done by Covered Entity or the minimum necessary policies and procedures of the Covered Entity. Also, Business Associate may use PHI to report violations of law to appropriate Federal and State authorities, consistent with the HIPAA Rules.

1. Use. Business Associate will not, and will ensure that its directors, officers, employees, contractors and other agents do not, use PHI other than as permitted or required by Business Associate to perform the Services or as required by law, but in no event in any manner that would constitute a violation of the Privacy Standards or Security standards if used by Covered Entity.
2. Disclosure. Business Associate will not, and will ensure that its directors, officers, employees, contractors, and other agents do not, disclose PHI other than as permitted pursuant to this arrangement or as required by law, but in no event disclose PHI in any manner that would constitute a violation of the Privacy Standards or Security Standards if disclosed by Covered Entity.
3. Business Associate acknowledges and agrees that Covered Entity owns all right, title, and interest in and to all PHI, and that such right, title, and interest will be vested in Covered Entity. Neither Business Associate nor any of its employees, agents, consultants or assigns will have any rights in any of the PHI, except as expressly set forth above. Business Associate represents, warrants, and covenants that it will not compile and/or distribute analyses to third parties using any PHI without Covered Entity's express written consent.

F. Application of Security and Privacy Provisions to Business Associate.

1. Security Measures. Sections 164.308, 164.310, 164.312 and 164.316 of Title 45 of the Code of Federal Regulations dealing with the administrative, physical and technical safeguards as well as policies, procedures and documentation requirements that apply to Covered Entity shall in the same manner apply to Business Associate. Any additional security requirements contained in Sub Title D of Title IV of the HITECH Act that apply to Covered Entity shall also apply to Business Associate. Pursuant to

the foregoing requirements in this section, the Business Associate will implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of the paper or electronic PHI that it creates, has access to, or transmits. Business Associate will also ensure that any agent, including a subcontractor, to whom it provides such information, agrees to implement reasonable and appropriate safeguards to protect such information. Business Associate will ensure that PHI contained in portable devices or removable media is encrypted.

2. Annual Guidance. For the first year beginning after the date of the enactment of the HITECH Act and annually thereafter, the Secretary shall annually issue guidance on the most effective and appropriate technical safeguards for use in carrying out the sections referred to in subsection (a) and the security standards in subpart C of part 164 of title 45, Code of Federal Regulations. Business Associate shall, at their own cost and effort, monitor the issuance of such guidance and comply accordingly.
3. Privacy Provisions. The enhanced HIPAA privacy requirements including but not necessarily limited to accounting for certain PHI disclosures for treatment, restrictions on the sale of PHI, restrictions on marketing and fundraising communications, payment and health care operations contained Subtitle D of the HITECH Act that apply to the Covered entity shall equally apply to the Business Associate.
4. Application of Civil and Criminal Penalties. If Business Associate violates any security or privacy provision specified in subparagraphs (1) and (2) above, sections 1176 and 1177 of the Social Security Act (42 U.S.C. 1320d-5, 1320d-6) shall apply to Business Associate with respect to such violation in the same manner that such sections apply to Covered Entity if it violates such provisions.

G. Term and Termination.

1. Term. This Agreement shall be effective as of the Effective Date and shall be terminated when all PHI provided to Business Associate by Covered Entity, or created or received by Business Associate on behalf of Covered Entity, is destroyed or returned to Covered Entity.
2. Termination for Cause. Upon Covered entity's knowledge of a material breach by Business Associate, Covered Entity shall either:
 - a. Provide an opportunity for Business Associate to cure the breach within 30 days of written notice of such breach or end the violation and terminate this Agreement, whether it is in the form of a stand alone agreement or an addendum to a Master Services Agreement, if Business Associate does not cure the breach or end the violation within the time specified by Covered Entity; or
 - b. Immediately terminate this Agreement whether it is in the form of a stand alone agreement or an addendum to a Master Services Agreement if

Business associate has breached a material term of this Agreement and cure is not possible.

3. Effect of Termination. Upon termination of this Agreement for any reason, Business Associate agrees to return or destroy all PHI received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity, maintained by Business Associate in any form. If Business Associate determines that the return or destruction of PHI is not feasible, Business Associate shall inform Covered Entity in writing of the reason thereof, and shall agree to extend the protections of this Agreement to such PHI and limit further uses and disclosures of the PHI to those purposes that make the return or destruction of the PHI not feasible for so long as Business Associate retains the PHI.

H. Miscellaneous.

1. Indemnification. To the extent permitted by law, Business Associate agrees to indemnify and hold harmless Covered Entity from and against all claims, demands, liabilities, judgments or causes of action of any nature for any relief, elements of recovery or damages recognized by law (including, without limitation, attorney's fees, defense costs, and equitable relief), for any damage or loss incurred by Covered Entity arising out of, resulting from, or attributable to any acts or omissions or other conduct of Business Associate or its agents in connection with the performance of Business Associate's or its agents' duties under this Agreement. This indemnity shall apply even if Covered Entity is alleged to be solely or jointly negligent or otherwise solely or jointly at fault; provided, however, that a trier of fact finds Covered Entity not to be solely or jointly negligent or otherwise solely or jointly at fault. This indemnity shall not be construed to limit Covered Entity's rights, if any, to common law indemnity.

Covered Entity shall have the option, at its sole discretion, to employ attorneys selected by it to defend any such action, the costs and expenses of which shall be the responsibility of Business Associate. Covered Entity shall provide Business Associate with timely notice of the existence of such proceedings and such information, documents and other cooperation as reasonably necessary to assist Business Associate in establishing a defense to such action.

These indemnities shall survive termination of this Agreement, and Covered Entity reserves the right, at its option and expense, to participate in the defense of any suit or proceeding through counsel of its own choosing.

2. Mitigation. If Business Associate violates this Agreement or either of the HIPAA Rules, Business Associate agrees to mitigate any damage caused by such breach.
3. Rights of Proprietary Information. Covered Entity retains any and all rights to the proprietary information, confidential information, and PHI it releases to Business Associate.
4. Survival. The respective rights and obligations of Business Associate under Section E.3 of this Agreement shall survive the termination of this Agreement.

5. Notices. Any notices pertaining to this Agreement shall be given in writing and shall be deemed duly given when personally delivered to a Party or a Party's authorized representative as listed in Section 8.7 of the agreement between the City and Grantee or sent by means of a reputable overnight carrier, or sent by means of certified mail, return receipt requested, postage prepaid. A notice sent by certified mail shall be deemed given on the date of receipt or refusal of receipt.
6. Amendments. This Agreement may not be changed or modified in any manner except by an instrument in writing signed by a duly authorized officer of each of the Parties hereto. The Parties, however, agree to amend this Agreement from time to time as necessary, in order to allow Covered Entity to comply with the requirements of the HIPAA Rules.
7. Choice of Law. This Agreement and the rights and the obligations of the Parties hereunder shall be governed by and construed under the laws of the State of Texas without regard to applicable conflict of laws principles.
8. Assignment of Rights and Delegation of Duties. This Agreement is binding upon and inures to the benefit of the Parties hereto and their respective successors and permitted assigns. However, neither Party may assign any of its rights or delegate any of its obligations under this Agreement without the prior written consent of the other Party, which consent shall not be unreasonably withheld or delayed. Notwithstanding any provisions to the contrary, however, Covered Entity retains the right to assign or delegate any of its rights or obligations hereunder to any of its wholly owned subsidiaries, affiliates or successor companies. Assignments made in violation of this provision are null and void.
9. Nature of Agreement. Nothing in this Agreement shall be construed to create (i) a partnership, joint venture or other joint business relationship between the Parties or any of their affiliates, (ii) any fiduciary duty owed by one Party to another Party or any of its affiliates, or (iii) a relationship of employer and employee between the Parties.
10. No Waiver. Failure or delay on the part of either Party to exercise any right, power, privilege or remedy hereunder shall not constitute a waiver thereof. No provision of this Agreement may be waived by either Party except by a writing signed by an authorized representative of the Party making the waiver.
11. Equitable Relief. Any disclosure of misappropriation of PHI by Business Associate in violation of this Agreement will cause Covered Entity irreparable harm, the amount of which may be difficult to ascertain. Business Associate therefore agrees that Covered Entity shall have the right to apply to a court of competent jurisdiction for specific performance and/or an order restraining and enjoining Business Associate from any such further disclosure or breach, and for such other relief as Covered Entity shall deem appropriate. Such rights are in addition to any other remedies available to Covered Entity at law or in equity. Business Associate expressly waives the defense that a remedy in damages will be adequate, and further waives any requirement in an action for specific performance or injunction for the posting of a bond by Covered Entity.

12. Severability. The provisions of this Agreement shall be severable, and if any provision of this Agreement shall be held or declared to be illegal, invalid or unenforceable, the remainder of this Agreement shall continue in full force and effect as though such illegal, invalid or unenforceable provision had not been contained herein.
13. No Third Party Beneficiaries. Nothing in this Agreement shall be considered or construed as conferring any right or benefit on a person not a party to this Agreement nor imposing any obligations on either Party hereto to persons not a party to this Agreement.
14. Headings. The descriptive headings of the articles, sections, subsections, exhibits and schedules of this Agreement are inserted for convenience only, do not constitute a part of this Agreement and shall not affect in any way the meaning or interpretation of this Agreement.
15. Entire Agreement. This Agreement, together with all Exhibits, Riders and amendments, if applicable, which are fully completed and signed by authorized persons on behalf of both Parties from time to time while this Agreement is in effect, constitutes the entire Agreement between the Parties hereto with respect to the subject matter hereof and supersedes all previous written or oral understandings, agreements, negotiations, commitments, and any other writing and communication by or between the Parties with respect to the subject matter hereof. In the event of any inconsistencies between any provisions of this Agreement in any provisions of the Exhibits, Riders, or amendments, the provisions of this Agreement shall control.
16. Interpretation. Any ambiguity in this Agreement shall be resolved in favor of a meaning that permits Covered Entity to comply with the HIPAA Rules and any applicable state confidentiality laws. The provisions of this Agreement shall prevail over the provisions of any other agreement that exists between the Parties that may conflict with, or appear inconsistent with, any provision of this Agreement or the HIPAA Rules.
17. Regulatory References. A citation in this Agreement to the Code of Federal Regulations shall mean the cited section as that section may be amended from time to time.
